APPLICATION INSTRUCTIONS

Email your completed application to Jen Rose at jennifer@theroses.io. **Last day to submit is April 2, 2022.**

Project application not to exceed 2 pages (excluding cover page)

Project Description: Please give an overview of the project and include the goals of the project and its relationship to the curriculum. Who is the target audience? What are the expected benefits? What is the timing? Applicants are encouraged to cite educational research, PLMS student data, and/or include helpful links if possible.

Equipment and Materials: Describe equipment and materials necessary to conduct this project. Please specify equipment that is currently available versus what needs to be purchased.

Budget: Please itemize the funding request (e.g. quantity, item cost, tax, shipping, etc.) as well as provide the total amount requested. Describe how the funds will be used. List any other funding sources that will be leveraged for this project (e.g., student paid portion, district funds, other grants, etc.) Please provide complete, thoroughly researched and documented information or links.

Other Information: Describe how success will be measured. Include any other details for consideration such as ongoing maintenance costs, dependencies, timeline, links, or referrals.
